

**CRESTLINE**  
**BUILDING CORPORATION**

Good Morning Andrew & John

During the past few years, you have successfully completed for Crestline Building Corporation the HVAC work for our 4 story, 110 room Marriot Residence Inn near the Albuquerque Airport, and our 96 Unit Apartment Project near Farmington, NM. I wanted to let both of you know our superintendents, and project managers have expressed favorable comments regarding the quality of your work and the spirit of cooperation from VICA. As such, we have enjoyed the working relationship with your company and look forward to working with you on the 72 unit Falcon Ridge Apartment Project in Hatch, NM this year.

Sincerely,

David L. Parmeter  
President
